Bergen Says Mrs. Klumpp Tells Lies

Governor Convinced Evidence Sufficient For Trial of Man

COLUMBUS, Ohio (AP)—William Bergen flatly denies the story given by his onetime mistress, convicted murderer Edythe Klumpp, that he—not she—fired the fatal bullet into Bergen's wife, Louise.

Mrs. Klumpp, twice-divorced mother of four, was to have been executed in the Ohio Penitentiary electric chair last night for the slaying of the 32-year-old Mrs. Bergen on Oct. 30, 1958. But her sentence was commuted to life imprisonment Wednesday night by Gov. Michael V. DiSalle.

The governor said he had faith in her story, given under the influence of a so-called truth serum, that Bergen killed his wife and made Mrs. Klumpp admit the killing because police wouldn't believe him that it was an accident.

The 42-year-old Mrs. Klumpp said Bergen threatened her "would do something" to her children if she didn't go along with him. So she admitted the slaying at her first-degree murder trial in Cincinnati.

But in Washington, D. C., where he works, Bergen said Mrs. Klumpp's latest accusations, made while under a so-called truth serum, were a pack of lies.

"I can't say anything more than I have said many times before," the 32-year-old Bergen told The Associated Press Friday night. "As far as the accusations of Mrs. Klumpp are concerned, they are completely false."

Gov. DiSalle, after attending Mrs. Klumpp's truth serum interview in Marysville Reformatory for Women, told newsmen: "I still think there is enough there to warrant further investigation. I would like to prosecute Bergen and have Mrs. Klumpp as my witness."

In the interview, Mrs. Klumpp said Bergen and his wife were sitting in her car in a Cincinnati park the night of the slaying. Mrs. Klumpp said she became ill, left the car for a short while and when she returned, Mrs. Bergen was dead, shot through the chest.

She helped him stuff the body in the auto's trunk, she said, adding that later they took the body to Lake Cowan in Clinton County, doused it with gasoline and burned it.

At the end of the interview with Mrs. Klumpp, Gov. DiSalle told her, "We're going to have him (Bergen) picked up I hope before the night's over."

The governor said Friday night his reason for saying that was this: "I had hoped that when the prosecuting attorney of Hamilton County heard this (Mrs. Klumpp's story), that he would bring him (Bergen) in for questioning."

DiSalle emphasized it was not in his province to bring Bergen back to Ohio, but rather the authority of Hamilton County Prosecutor C. Watson Hover or the Ohio Highway Patrol.

DiSalle said he would like to see Bergen come back and take a truth serum test under the same conditions as Mrs. Klumpp did. The governor added that when he spoke to Bergen by phone Wednesday, "He said he would come back, but I see no indications of that."

DiSalle previously said there is a possibility of Mrs. Klumpp "being pardoned within a few months."

"If she is ultimately proven innocent," he said, "there is no alternative. It is going to take some time."

Belgian King Seeks Settlement of Strike

BRUSSELS, Belgium (AP)—King Baudouin planned a new round of conferences with leading business and labor representatives today, raising hopes of an early settlement of Belgium's disastrous 19-day strike led by Socialists.

Many observers believed Friday's wild rioting in Liege was the last violent outburst in the 19 days of tension which the Socialist newspaper Le Peuple said has cost the nation 9 billion francs (\$180 million).

SPEAKS FOR U.S. — Swiss Ambassador Dr. Walter Bossi (above) is shown in Havana after taking over U.S. affairs following a break in relations.

Kennedy Plans And Problems To Be Detailed

On Jan. 20 John Fitzgerald Kennedy takes the oath as president of the United States and sets out to fulfill a campaign pledge to "get America moving again."

What will this mean in foreign affairs? What can the businessman and worker expect from the new administration? The farmer? A person out of work? What's ahead in military weapons and strategy?

To help provide some of the answers, The Associated Press asked five of its distinguished Washington specialists to sum up the plans and problems of the new administration in the week before Kennedy's inauguration.

The five articles are by diplomatic affairs reporter John M. Hightower, Treasury reporter Frank Cormier, military affairs writer Elton C. Fay, farm reporter Ovid Martin and political specialist Jack Beil. They identify major issues and provide essential background detail—from why Kennedy hopes to postpone a meeting with Khrushchev to what he hopes to do about the gold crisis; from possible changes in the current "mix" of strategic weapons to why the new legislative session may go down in history as "the welfare Congress."

Watch for the first of this five-part series in The Herald Monday.

Woman Finds Dad's Body On Highway

COLUMBUS, Ohio (AP)—Maurice Mauriss Sr., 72 took his last walk Friday night.

For years he had walked a mile from his suburban Reynoldsburg home to meet his daughter on the road and ride home with her.

Last night a car struck and killed him as he walked along U.S. 40.

The motorist, Clarence Huskey, 49, of Columbus, flagged down a car and told the driver he had just struck a pedestrian and needed help.

The other driver, returning from work, parked her car and went with Huskey. As they got to the body in the road, the other driver, Lucille Mauriss, let out a gasp. It was her father lying there.

When she didn't see him at his accustomed post last night, she drove on. Then she changed her mind, turned around and was returning to the usual meeting spot when Huskey stopped her.

Return of Colder Weather Predicted

By THE ASSOCIATED PRESS
Continued mild weather prevailed over most of the country today but a return of colder, more seasonable temperatures was forecast for parts of the Midwest.

The return of colder weather was forecast for the northern Plains, upper Great Lakes, the upper and middle Mississippi Valley and western portions of the Ohio Valley.

Slightly warmer temperatures were expected in the northern Atlantic coastal states with little change elsewhere.

Gaullists Beam At Poll Turnout

Victory for General On Algeria Issue Seen

ALGIERS (AP) — French officials beamed optimism today as the crucial referendum on President Charles de Gaulle's self-determination plan for Algeria entered its second day.

A voter turnout averaging 62 per cent Friday in 600 rural communities bolstered official hopes for approval of De Gaulle's plan to end six years of strife in this French territory.

De Gaulle has pleaded for a heavy "yes" vote and rebel leaders have called for a boycott of the polling places. French officials frankly believe a heavy vote of approval would give De Gaulle a greater chance of achieving a solution for the bloody Algerian question.

The French army maintained a vigilant watch today as about 570 communities voted. The army was ordered to prevent abstention.

Moslems generally disregarded orders from the rebel National Front of Liberation (FLN), officials stressed, and went to the polls.

A major test—and the possibility of violence — comes Sunday when residents of urban centers, tense with agitation by Moslems and rightwing European settlers, cast their ballots.

The settlers violently oppose De Gaulle's plan for making Algeria an autonomous state and giving the Algerians themselves political self-determination at a later date.

De Gaulle warned Frenchmen the referendum will be their last chance to solve the Algerian problem. There is a risk, he said, that world events will sweep it out of their hands.

2 Ohio Pen Escapees Nabbed by FBI

ENGLEWOOD, N. J. (AP) — Two escapees from Ohio penitentiary, one of them a lifer, were arrested by FBI agents here Friday.

R. W. Bachman special agent in charge of the Newark office of the FBI, announced the arrest of James Donald Thornton, 22, and Russell Thomas Freeland, 32.

Thornton was serving a life sentence for a murder committed during an armed robbery at Wapakoneta, Ohio, Jan. 24, 1956.

Freeland was serving a 10 to 25 year jail sentence for an armed robbery at Cleveland, Ohio.

The two were arraigned before U.S. Commissioner Theodore Kiscaras at Rutherford on federal warrants charging them as escapees. Both were taken to Hudson County Jail, Jersey City, in default of \$10,000 bond each to await removal by Ohio authorities.

Together with Warren Simones, 38, of Cleveland the three convicted fled a snow-shoveling detail outside the penitentiary walls on Dec. 21. They took off in a penitentiary station wagon which was found the following week in Delaware, Ohio.

Simones, who was serving a sentence for house-breaking, is still at large.

Ohio Correction Commissioner M. C. Koblentz said Freeland, also of Cleveland, slipped away from the penitentiary business office with \$2,404 in two envelopes.

Thornton, of Auglaize County, and Hazel Park, Mich., was convicted of second-degree murder in the Wapakoneta robbery-slaying.

Young Brothers Held in Beating

SPRINGFIELD, Ohio (AP)—Juvenile Court authorities are holding two young brothers for the fatal beating of 7-year-old Thomas Williams last Dec. 6. Police say the brothers, aged 9 and 11, have admitted catching Williams, a schoolmate, on the street, beating him with their fists and then with a piece of a chair. The two brothers previously had been questioned and released, and then taken back into custody "by a process of elimination," Police Capt. F. J. Shaffer said. The victim was the son of twice-widowed Mrs. Rose Thornton.

Ohio Hoa Prices Drop

COLUMBUS, Ohio (AP) — Because of excess supplies, prices paid for market hogs in Ohio during the week have averaged about 45 cents lower than the previous week, the Ohio Department of Agriculture reports.

Pro-Red Rebels Advance Toward Laos Royal Capital

Congress Awaits Liberal Showdown

WASHINGTON (AP) — The new Congress faces likely showdowns next week on two liberal moves—efforts to trim the power of the House Rules Committee and to make it easier to halt Senate filibusters.

Opening routine, speeches and preliminary maneuvering stalled action in both houses this week during the initial days of the new session.

But the Democratic Committee on Committees plans a meeting next week which may result in an attempt to purge Rep. William M. Colmer, D-Miss., from the Rules Committee unless some compromise is agreed to before then.

House Speaker Sam Rayburn reportedly is willing to throw Colmer off the committee if necessary to break the hold a coalition of Republicans and Southern Democrats on the rules group has on legislation.

Two antifilibuster proposals face the Senate. The strongest—favored by liberals — would permit limitation of debate by a majority, or 51, of the 100 senators after a filibuster ran 15 days. A compromise proposal, generally given a better chance of adoption, provides that filibusters could be halted by a three-fifths margin of the senators voting.

It now requires approval of two-thirds of the senators voting to limit debate.

Southern Senators fighting the antifilibuster proposals said Friday that giving "unbridled power to a temporary majority" would

undermine basic constitutional principles.

Rep. Howard Smith, D-Va., chairman of the House Rules Committee, said Friday he was willing to discuss "any honorable compromise" with Rayburn about his group. But Smith said he could not consider any proposal to "pack the committee with left-wingers" or purge Colmer.

Smith said he is willing to agree not to try to kill any of the major legislative proposals backed by Kennedy and would consider waiving the committee's jurisdiction over bills that have passed both Senate and House and are awaiting a House-Senate Conference Committee.

But he added no such compromise had been offered him.

In a dramatic moment Friday, Vice President Richard M. Nixon announced formally his presidential election defeat, after presiding over the canvassing of the electoral vote in a joint session.

It was no surprise that the final vote count showed Democrat John F. Kennedy with 303 electoral votes and Republican Nixon with only 219.

The surprise came when Nixon used the occasion for a farewell to Congress.

Congratulating Kennedy, Nixon said, "No matter how close the election may turn out to be, those who lose accept the verdict, and support those who win." He offered "heartfelt best wishes" to Kennedy and Vice President-elect Lyndon B. Johnson.

Castro Puts Curb on Cubans Trying To Flee Uneasy Isle

HAVANA (AP)—Fidel Castro's regime cracked down today on Cubans trying to flee the country and floated another pitch for a reconciliation with the United States after President-elect John F. Kennedy takes office.

The government froze issuance of new exit permits for all Cuban and foreign residents but said tourists will not be affected. American residents leaving will not require new permits to leave unless they intend to return.

The pitch to Kennedy was made by Ernesto (Che) Guevara, president of Cuba's national bank and architect of Castro's revolutionary economic policies.

Christmas Celebrated In Russia

MOSCOW (AP) — Archbishop Alexei, patriarch of all Russia, celebrated the Orthodox Church's Christmas today by officiating at midnight Mass in Moscow Cathedral in an atmosphere of mingled majesty and melancholy.

Only a few young persons attended the services.

Most of the congregation was made up of older persons, mostly women. Many of them were married under the Czar more than 43 years ago before the Communist revolution struck down the wealthy church and reduced it to an almost pitiful remnant.

Other midnight Masses were celebrated in scattered city and country churches throughout the Soviet Union to mark Christmas which under the old calendar comes 13 days after the Western world's Christmas.

Thousands walked through a fresh snowfall to crowd into Moscow Cathedral, ornate in gold and white.

Archbishop Alexei, past 80 but sturdy, stood in his golden robes and a glistening bejeweled crown, in the center of the cathedral. Around him were rows of metropolitans, bishops and priests also wearing gem-studded crowns.

Czars worshipped in this cathedral before the revolution and Archbishop Alexei has come down through the years from that early day when the church was rich, when its leaders spoke on even terms with the Czar and all Russians lived under its mantle.

Reports Vary As to Degree Of Emergency

King Is Optimistic As He Emplanes for Chief City, Palace

VIENTIANE, Laos AP — A column of pro-Communist Pathet Lao rebels was reported advancing on Luang Prabang today from the north. Advices varied, however, as to whether that royal capital was imminently threatened.

French sources said the threat to Luang Prabang was increasing. Other Western military men placed the column still 60 miles north of the city and said it was in no immediate danger.

The more optimistic view seemed to be shared by King Savang Vathana. He took off today from Vientiane for Luang Prabang after earlier delays that raised questions about the security of the city.

The king, in Vientiane for the formal installation of the new anti-Communist government of Premier Prince Boun Oum, had delayed his departure but then started Friday. He returned in less than two hours and a spokesman explained that there had been engine trouble.

The king's second departure early today indicated the rebel attacks in the Luang Prabang area are isolated clashes between guerrilla units and royal patrols and were not connected with a major Pathet Lao offensive.

Military sources confirmed Ban Ban on the east-west highway linking the strategic Plaine des Jarres with Communist North Viet Nam fell to pro-Communist forces practically without a fight.

Most of Xieng Khouang Province now is in the hands of pro-Communist paratrooper Capt. Kong Le and his Pathet Lao allies. Two of the main north-south and east-west highways in Laos join in Xieng Khouang, and the province has four important airstrips.

Its capture has given the pro-Red forces a primary supply base in the heart of Laos. The Soviet Union and North Viet Nam can now bolster their airlift of arms and ammunition to Kong Le's forces with direct overland supplies.

Hardy mountain Meo tribesmen in Xieng Khouang still represent a threat to Kong Le. The province is by no means secure for the rebels if the Laotian government is able to rally a determined counteroffensive.

Pathet Lao rebels, backed by a Soviet airlift of weapons and ammunition, have been consolidating their strategic position in the north central Plaines des Jarres since New Years and have been threatening to capture the sleepy royal capital.

Western military experts here, however, would be greatly surprised if a major offensive materialized now. The experts have

12 OU Students Routed by Fire

ATHENS, Ohio (AP)—An early morning fire in a combination rooming house-business building forced 12 male students of Ohio University to flee down ladders in their night clothes today.

Damage was estimated unofficially at \$50,000. No injuries were reported, although a dog belonging to the building owner, Wade Tom, died in the fire. Firemen said only the shell of the frame building remains.

The building housed a variety store, barber shop and pizzaria in addition to the Toms' apartment and the student quarters.

Sheriff's Widow Asked To Continue in Office

HAMILTON, Ohio (AP)—Deputy who served under Sheriff Paul Pell want his widow to succeed him as Butler County Sheriff. All the deputies signed a request for Mrs. Pell to county commission.

Pell in his second four-year term, died Tuesday after ulcer surgery. The commission must appoint a successor to serve until the 1962 general election.

Ike Asks Increase In Spending Budget

WASHINGTON (AP) — The Eisenhower administration will submit to Congress an increased Interior Department budget asking \$888 million for the fiscal year starting July 1, it was learned today.

The department's budget for the current fiscal year is \$805,116,000, highest ever voted by Congress.

The proposed new budget includes annual, permanent and indefinite appropriations. The annual spending would total about \$765 million.

Cops' Big Problem: Cops

Kennedy in Capital for Series Of Talks with His Advisers

WASHINGTON (AP) — President-elect John F. Kennedy, packed a tight schedule of conferences on politics, national and international affairs into a brief visit to Washington today.

He leaves later on what will apparently be his last extensive trip before coming to Washington for his inauguration. Even this visit to old haunts is overshadowed by glowering problems in Cuba, Laos and other parts of the world.

Arriving from New York Friday night, Kennedy went straight from the airport into an hour and a half conference with his secretary of state designate, Dean Rusk. He told newsmen later their talk covered the two trouble spots and "the whole spectrum" of foreign affairs. He gave no details, but did announce a change in his plans for a full week away from Washington. Instead he will return here for a short stay Tuesday which will include more conferences with Rusk, the retiring secretary of the treasury, Robert B. Anderson, and others.

Kennedy's first appointment today was for breakfast with the Democratic national chairman, Sen. Henry M. Jackson of Washington.

He arranged to receive later reports from two of his task forces, one on India and the proposed peace corps of young Americans to serve abroad, the other on natural resources.

He had appointments also with Gov. David L. Lawrence of Pennsylvania and Matthew McCloskey, treasurer of the Democratic National Committee.

Finally, Gov. Ernest F. Hollings of South Carolina was invited to lunch.

After that he hoped to leave for New York.

Kennedy goes to Boston Monday for a meeting of the Harvard University overseers and other appointments, back to Washington Tuesday and then to Palm Beach presumably for the rest of the week.

A new subsidy program to encourage building of housing for low-income families and a series of more conventional measures designed to stimulate home building and urban improvements were proposed today in a report to the president-elect.

His task force on housing and urban development suggested a flexible subsidy program intended to encourage as much private enterprise as possible in the building of low-cost housing.

Other proposals included \$500 million annually for college housing.

Bitters Memorial Fund Set Up at OU

ATHENS, Ohio (AP)—A fund set up in memory of the late Richard L. Bitters will provide money for Ohio University scholarships, student loans, library needs and research university officials announced today.

Bitters, director of the Ohio University Fund and assistant to university President John C. Baker, died Dec. 16 in the collision of two airliners over New York City.

Officials said they arrived at specific uses for the fund after consulting with Bitters' widow, Martha. They said checks can be addressed to the Richard L. Bitters Memorial Fund, Ohio University, Athens.

Farm Tax 'Basis' Vital Calculation

By GEORGE HAMRICK
County Extension Agent,
Agriculture

To compute gains or losses it is necessary to understand the meaning of the terms, "the basis of property" and "the adjusted basis".

The amount of capital originally paid for property is called the "basis" of the property. This basis may change, either by improvements or alterations to the property which increase its value or by depreciation, depletion, or amortization deductions allowable.

Basis may also change due to allowable deductions for losses, such as casualty losses. It is this

Congress Asked To Share Taxes

WASHINGTON (AP) — Con-gress has been asked again to give back to the states for edu-cational purposes one-fourth of the federal cigarette tax.

Rep. Frank T. Bow, R-Ohio, in-troduced a bill Thursday calling for this. His proposal, once adopted by the House last year during debate on federal aid to education, would yield an esti-mated 400 million dollars a year to school systems, Bow said.

Each state's share would be based upon the number of cigar-ettes sold within the state.

The tax is 8 cents a package of 20 cigarettes.

The Bow Bill was adopted as a substitute for the Murray-Met-calf Bill during House debate on May 26, 1960, but the action later was reversed on a roll call vote.

The annual Pickaway County beef banquet will be held Wednes-day. The banquet will be held at Jackson Twp. School at 7 p. m. All beef producers who wish to attend should contact the County Extension Office (GR 4-5828) for reser-vations by Tuesday.

The banquet program will fea-ture the showing of pictures taken during the Ohio Cattle Feeders an-nual tour held last August in Tex-as. Alan Utzinger, of Groveport, will show the pictures. These pic-tures were taken at the Ft. Worth Stockyards, the 4-6's Ranch, the Pitchfork Ranch, and will also in-clude pictures taken of a ranch that feeds 90,000 head of cattle per year.

James Warner, the Ohio State University Extension Beef Special-ist also will attend the meeting and will lead a discussion on beef outlook, marketing and feeding. Beef producers will have the op-portunity to ask questions and to enter into the discussion.

Swine Disease Session Thursday

Swine producers if Pickaway County are invited to attend a county-wide meeting to discuss swine disease control and the economic importance of swine diseases. This meeting will be held at the Parish Hall in Williamsport at 8 p. m. Thursday.

Dr. Harry Goldstein, of the Reynoldsburg Diagnostic Laboratory, will answer questions and lead the discussion on the major swine diseases, such as cholera, erysipelas, baby pig disease, pneumonia, leptospirosis, and any others that may present problems to swine producers.

4-H Club News

By EDWIN D. TAYLOR
Associate County Extension Agent

The Southwest District 4-H advisors conference will be held this year on February 3 and 4 at the Youth Center on the Ohio State Fairgrounds. Pickaway County is allowed to send twelve advisors to this meeting.

Meals, lodging, and program expenses for this conference are being paid for by the Ohio 4-H Club Foundation and Sears Foundation. Meals and lodging will be at the Youth Center dormitory and the program will be held in the Youth Center auditorium. Lodging will be in large dormitory type rooms. Bedding is provided. There is ample parking space at the Youth Center.

Some of the topics to be covered in the conference program include: development of 4-H club members, role of project activities, awards, planning local 4-H club programs, community service, planning and conducting local 4-H club meetings, points of Jr. Leadership, and parent cooperation in the local 4-H club.

Delegates are to register at the Youth Center at 10 a. m. on Friday, February 3. The conference will last until about 4 p. m. on Saturday, February 4. This is an especially good opportunity for new or experienced 4-H advisors to receive more training and additional understanding of their job as a club leader.

Any advisor who wishes to attend the conference must contact the Extension Office before January 18. Our quota of representatives will be filled on a volunteer basis. We will make reservations for the first twelve contacting us and expressing their desire to attend. Don't forget that January 18 is the deadline.

The 1961 steer project enrollment was completed on December 31. Seventy-three 4-H club members

enrolled 100 individual steers and three pen of five feeder steer projects. This is the largest enrollment of individual feeder steers in recent years.

Silage Clinic To Be Friday

The Extension work area of Pickaway, Franklin, Madison, Fayette, and Ross Counties has scheduled a silage clinic Friday. This clinic will be held at the Youth Building on the Madison County Fairgrounds in London, Ohio.

The program will begin at 10 a. m. with a discussion on "Crops That Are Good For Silage". Joe Bickie, extension agronomist, will follow this with a discussion on "Methods of Handling Silage". Lunch will be served at the site of the meeting.

The afternoon portion of the program will include discussions of "Feeding Silage to Beef Cattle, Dairy Cattle, Sheep and Swine". The last session of the day will be a discussion on "The Economics of Silage Feeding". This session will answer many of the farmers questions on whether he should use silage in his operation.

Farmers who desire to attend this silage clinic may go along with the Pickaway County group. This group will leave from the County Extension Office, at 159½ E. Main St. in Circleville, at 9:15 a. m. Friday.

President Accepts Benson Resignation

WASHINGTON (AP) — President Eisenhower today accepted the resignation of Secretary of Agriculture Ezra Taft Benson, effective Jan. 20, and thanked him "for the many contributions you have made to the nation, and especially to its rural population."

In submitting his resignation, Benson told Eisenhower, "The groundwork has been laid for the kind of prosperous, expanding and free agriculture that is so basic to a strong, virile, secure America."

Benson said agriculture still faces many problems. He said the cost-price squeeze still hurts many farm families and surpluses of a few commodities are heavily excessive.

Spring around the Corner?

By RICHARD DAVIS
Herald Staff Writer

"Spring is right around the corner," he said. Who said? The optimist, of course.

The "corner" may consist of January, February, March and part of April, but nevertheless around the corner.

The white blanket that covered the county the week preceding the holidays and the six - inch New Year's Eve was a mere heavy frost compared to the 16 inches of snow in November '58. Remember?

However, this past December wasn't exactly picnic weather. The "holiday month" began with cold, brisk weather. Mercury readings showed a high of 35 and a low of 15 on the first day of the month.

A COUPLE of days later, December 5, temperature rose to a mild 67.

With ten shopping days remaining before Christmas and 2½ inches of snow on the ground the wrath of Ol' Man Winter hit this area with a cold blow. Four degrees below zero was officially reported here December 12.

As if hitting a man when he is down, the "Ol' Man" came back nine days later, December 21, and added another five inches of snow in the area.

With the five-inch accumulation still fresh on the ground, a two-year record of five degrees below zero was reported at the State Highway Garage.

Let's turn back the calendar a few months before the "dead of winter" set in.

The first balmy breezes began to blow in Roundtown the second week of April. A high of 84 was reached here April 13. Four days prior to this an inch of snow had fallen throughout Central Ohio.

The first real heat wave hit July 22 and extended through July 30. Mid-afternoon temperatures registered between 89 and 94 for the eight-day period.

MOST activity slowed down considerably around the town, but swimming pool business increased.

Although June had no long siege of heat, it was the driest month of the summer. A total of 1.61 inches of rain fell. For the farmer this gave him ample time to get his hay baled and to do outside work without interruption from the weather man, but the dryness curtailed the corn crop to some extent.

August came along to be another month for those who like the outdoors. It rained only nine days during the month. It was a great month for baseball, golf and Bermuda shorts.

All of September and up to the latter part of October a beautiful

DiSalle, O'Neill Now Even on Mercy Score

COLUMBUS, Ohio (AP) — Gov. Michael V. DiSalle, in his two years in office, has commuted four death sentences to life imprisonment — exactly the same number as former Gov. C. William O'Neill granted in his two-year term.

Recipients of DiSalle's clemency have been Mrs. Edythe Klumpp, Lewis Niday, Frank Poindexter and Houston Nelson, a teen-ager.

O'Neill granted clemency to Joseph Lancaster, Cleo Eugene Peters and Joseph and Bert Buz, young deaf-mute brothers.

During his 10 years in office, former Gov. Frank J. Lausche, now U. S. senator, commuted nine death sentences to life imprisonment.

In a recent report, the governor's office listed 122 requests for clemency during DiSalle's first year in office from persons convicted of various degrees of homicide. Nine were granted.

In his second year DiSalle studied 202 clemency requests and granted 35 while he was clearing up what he described as an inherited backlog of cases involving life-terms for whom clemency had been recommended by the Pardon and Parole Commission. Commutation from first to second-degree murder in some of those cases made slayers who had served more than 20 years eligible for parole.

Barber Shop Closing Law Is Under Dispute

YOUNGSTOWN, Ohio (AP) — The legality of a proposed ordinance to regulate opening and closing times of barber shops is being challenged by the city law department. The measure would impose upon all barbers the hours now observed by the barbers union. A similar law, passed in 1952, neither was challenged nor generally enforced.

Newspapers Show Growth In Popularity

SEATTLE, Wash. (AP)—Daily newspaper circulation in the United States has increased 52 per cent in the last 25 years while the nation's population has grown only 40 per cent.

The figures were given today by Stanford Smith, general manager of the American Newspaper Publishers Association.

Today's total daily circulation, he said, is 58 million. In 25 years it will be 81 million, he forecast. Smith told a 25th anniversary meeting of Allied Daily Newspapers of Washington in a prepared speech that in 1935 the population of the United States was 127 million, the total circulation was 38 million and the total advertising volume was \$762 million.

"The latest annual figures cover the year 1959 when total newspaper advertising volume was \$3.54 billion. This is a gain of more than \$2.75 billion," he said. "Newspaper circulation grows because the service rendered to readers is not available from any other source and not likely ever to become available from any other source," Smith said.

"Newspaper advertising volume grows on the basis of a service to advertisers which produces results on a consistent, day-in, day-out basis."

Payroll Tax Slash Urged By Big Union

WASHINGTON (AP) — Organized labor advocates cutting payroll withholding taxes as a quick prod to the nation's purchasing power if unemployment gets much worse.

The novel plan was spelled out by AFL-CIO leaders Thursday as part of a 20-point program recommended to the incoming Kennedy administration to perk the economy out of its present lagging pace.

Specifically, the union chiefs proposed that Kennedy be empowered to trigger an income tax cut into effect if the rate of unemployment to the work force increases from its present 6.4 per cent level to 7 per cent or more.

This could easily happen this winter with the idle, now over 4 million, expected to top 5 million. Under the AFL-CIO plan, everybody would get a \$10 a week reduction in his withholding tax payment for a 10-week period. This means everyone would have an extra \$100 to spend.

George Meany, AFL-CIO president, said in outlining the proposal that the plan would cost \$500 million a week, or \$5 billion over the 10-week period, into hands of consumers.

It has long been a labor union theory that such spending can bail the country out of economic doldrums. However, the executive vice president of U.S. Steel Corp., R. Conrad Cooper, said here Thursday artificial stimulation is not a proper approach.

Cooper advocated tax relief for business generally, improved business depreciation allowances and an end to industry's rising cost spiral, including labor costs.

Ike To Face Tough Driver Permit Test

HARRISBURG, Pa. (AP) — President Eisenhower will have to take Pennsylvania's rigid new auto driver's examination if he intends to take out a state license, says the state's commissioner of traffic safety.

"I am sure that due to his tremendous interest in traffic safety over the years, Mr. Eisenhower would not want any special exceptions," Commissioner O. D. Shipley said.

Shipley was asked to comment on a report the President, who leaves office Jan. 20, planned to buy a car and drive it himself. Eisenhower has established a home near Gettysburg, Pa.

It's June in January At Ohio Post Office

EAST LIVERPOOL, Ohio (AP) — It's June in January here. Just temporarily, that is.

The "Jan" die on the cancelling machine at the post office broke. Post master Sam Brown ordered a new one, but it will take several days for delivery.

Meanwhile, the mail is being cancelled with the next closest die—"Jun."

State Legislators Point Toward Elections in 1962

COLUMBUS, Ohio (AP)—Veteran law-makers found lots of time to speculate about the 1962 political campaigns during the first two days of the 104th legislative session.

Such talk flowed naturally because both parties expect the record made in the general assembly to figure in the elections two years hence.

Republicans capitalized on the issue of increased taxes voted by the 1959 session to regain surprise control of the legislature from

Democrats, put Ohio in the GOP presidential column and recover other lost ground last November.

Next year marks the first time all elective state offices, including auditor, will be at stake simultaneously since the advent of four-year terms. Others at issue will be a U. S. senator, 24 instead of 23 congressmen, two state supreme court judges, all seat in the Ohio house and half of those in the state senate.

Several veterans with acknowledged political savvy figure that

Democrat Gov. Michael V. DiSalle will stand for another term to vindicate party losses and thaw the frost from his booming political career.

The governor is silent about his future plans. Politicians assert the early backer of John F. Kennedy suffered a setback when the president-elect lost Ohio but they claim DiSalle's re-election could erase all that.

If DiSalle should run again, his decision might pose a problem for other party leaders reportedly eyeing his post. They include Atty. Gen. Mark McElroy and Cleveland Mayor Anthony J. Celebrezze who ran second to DiSalle in a field of seven in the 1958 gubernatorial primary.

Observers profess to see several Republican gubernatorial prospects eager to challenge DiSalle or any Democratic nominee. They include State Auditor James A. Rhodes, House Speaker Roger Cloud, House Majority Leader Robert Taft Jr., State Sen. John Brown and former Atty. Gen. William Saxbe.

Rhodes appears to them most likely to get the nod. He carried all but three of the 88 counties last fall in winning re-election for a two-year term, cut short so that races for state offices will coincide next time out. The former Columbus mayor, who lost a bid for governor in 1954 says only that he likes his job as auditor.

Cloud is regarded as more interested in a congressional seat but appears stymied by the long tenure of Rep. Clarence J. Brown in his district, unless the legislature decides on an at-large post for Ohio's 24 congressman. But in a statewide race, Cloud might prefer to heed urgings to run for governor, especially if he received credit for a popular legislative program.

Taft, son of the late U. S. Sen. Robert A. Taft, is regarded as a likely prospect for higher office but no one appears willing to make book on his entry. Taft, who drew favorable comments on his start in the Ohio House post once held by his father, indicates only that he plans to stay in politics.

Legislators noted that the Taft name was prominent in proceedings of the new Republican-dominated legislature. State Supreme Court Judge Kingsley A. Taft swore in senators and representatives although two former GOP governors also are on that bench.

Brown—former interim governor, lieutenant governor and state representative—and Saxbe, former House speaker as well as attorney general, are regarded as able and willing campaigners who would like to make the race for governor or another high office.

Friends of Saxbe said he might even be willing to take on Democrat U. S. Sen. Frank J. Lausche, former five-term governor, if the GOP would finance the campaign.

Observers said they couldn't see any Democrat in his right mind—or a Republican for that matter—opposing Lausche for re-election next year. But some said they wouldn't be surprised if the senator, just to keep everyone guessing, managed a wistful glance in the direction of the Columbus statehouse.

At no time during the discussions did anyone take seriously vague reports that Republican W. Bricker, former U. S. senator, governor and attorney general, might return to the political wars.

Famous Waxworks Readies Kennedy

LONDON (AP) — John F. Kennedy will be inaugurated president of the United States at Madame Tussaud's Waxworks Jan. 20.

On the same morning Kennedy is inaugurated in Washington, a smiling-faced wax model of the new president will take its place among an immobile crowd of American statesmen and past presidents.

Craftsmen at the famed waxworks have been working on the lifelike effigy of Kennedy since the day he was elected.

100 Years Ago

this week in the U.S.A.

An atmosphere more austere than joyous welcomed the New Year in the Capitol of the United States. The sectional feud that was highlighted by the secession of the State of South Carolina from the Union has grown bitter enough to cause the abandonment of usual cordialities and courtesies in the city, and southerners and northerners are keeping pretty much to themselves.

The effects of recent adjustment in the President's cabinet are showing themselves this week. First, the "commissioners" from South Carolina have departed from their attempts to treat with the President. The correspondence they presented was discussed in the cabinet, and answers were drafted by that group which noted that the President has no authority to recognize them. The "commissioners" did not leave, however, without first presenting a summation to the President in correspondence that was of such strong nature that when it was submitted to the chief executive on New Year's Day he declined to accept it. The rebuilt cabinet has also apparently reached another decision on government policy.

Though secrecy cloaks official plans, it is strongly suspected that activities are underway to reinforce Major Anderson and his garrison at Fort Sumter. It is known that officers of the Army have been attempting to procure the services of private vessels in New York City, but the actual purpose of any expedition is yet to be revealed.

U. S. property on the soil of the "cotton states" continues to be seized. On Thursday (the 3rd) Governor Brown ordered Fort Pulaski in Savannah Harbor to be occupied by Georgia militia. The governor also placed telegraphic communication under censorship. The next day the U. S. Arsenal at Mount Vernon, Forts Morgan and Gaines (off Mobile) were seized on Saturday. In Florida the U. S. Arsenal at Apalachicola was taken over by state authorities on the 6th and the Fort Marion ordinance depot at St. Augustine was seized the next day along with the confiscation of a schooner belonging to the coast survey. However, the story may be different at Pensacola Harbor in Florida. Orders were is-

sued by General Scott on Thursday to Captain Slemmer at Fort Barrancas to do all he could to prevent a seizure of either Fort Pickens or Fort McRae in the harbor.

Meanwhile, efforts to bring about peaceful settlement of the sectional differences are still being pursued by several groups. Senator Crittenden moved in the Senate on January 3rd that his proposals for compromise be put before the nation for a popular vote. In an effort of a different nature, Governor Lecher of Virginia suggested in a message to his state legislature on the 7th that a national "Peace Conference" be held to attempt reconciliation.

The total amount of bonds stolen from the Indian Trust Fund by Goddard Bailey (Interior Dept. clerk) and William Russell is reported to be over \$850,000. Bailey said that he had loaned Russell the bonds so the latter could pay back notes that had been endorsed for him by the then Secretary of State, Floyd. Floyd's actual involvement in the recent embezzlement is not certain, and any association is vehemently denied by him. The whole affair came into the open when interest payments to the Indian tribes came due at the close of the year.

3 General Motors Plants Plan Layoff

COLUMBUS, Ohio (AP)—An industry-wide cutback in automobile production and dealer inventories has resulted in layoffs of workers at three General Motors plants in Dayton and one in Columbus.

Two Dayton divisions today announced layoffs of 422 workers. The Inland Manufacturing division which had a total of 4,930 workers on Jan. 1 announced that 289 employees will be laid off starting next Monday. The Delco-Moraine Division reduced its force to 3,000—a cut of 133 that was to go into effect today. Both plants produce auto parts.

In Columbus, the GM Ternstedt Division announced it will lay off 200 employees on Jan. 13. Some 3,600 will continue to work at the division manufacturing automobile hardware.

Regulatory Bodies Face Red Tape

No one should be greatly surprised by the findings of James M. Landis on the state of the regulatory agencies of the federal government. The handful of men who literally control the nation's communications system, its transportation, its financial institutions and its interstate commerce have become bogged down in recent years with the fabled, but very real, problem of bureaucratic red tape.

It is virtually impossible today to receive a judgment on a matter of great importance to that segment of the population which it serves from any of the regulatory agencies in less than a year. Many cases now before the Interstate Commerce Commission and the Federal Communications Commission — two of the most powerful government identities in existence — have been on the docket for five or 10 years.

Regulatory agencies do not guide the formation of theoretical governmental controls nor serve merely as advisers to Congress. They must actively police the laws passed by Congress, promulgate their own regulations to fulfill the intent of such laws, and act as referee in disputes between the government and individuals or business enterprises.

Exorbitant costs have been placed on those who argue against specific instances

of regulation by the length of time required by agencies to receive testimony and come to a decision. Two corporations, for example, whose stockholders have voted to merge must first gain the approval of the Interstate Commerce Commission, but many such decisions have been delayed for years.

Business moves cannot be prolonged for years or even months without prohibitive costs to the concerns involved. By the time a decision is announced reasons for the request may have been long dissipated in an irretrievable loss to all concerned. To compound such losses, many of the decisions are of a completely routine nature but are nevertheless required by obsolete legislation.

Efficient operation of a regulatory agency also requires congressional cooperation. An able navigator cannot bring a ship into port unaided when the harbor is blocked by half-submerged derelicts.

Ohio Harvests Last Year Top Earlier Marks

CLEVELAND (AP)—Crop production in Ohio broke records in almost all lines last year, but first reports for 1961 predict a return to more nearly normal conditions.

Livestock numbers point to an all-time high level of consumption this year, however.

Ohio's record crop production for 1960 is rated at 133 per cent of the 1947-49 base by the Ohio Crop Reporting Service. This is an increase of 14 per cent over 1959.

Harvested crops grossed farmers \$595,369,000 last year compared with \$564,017,000 the year before.

Here is how the major crops fared in 1960:

Production of corn and soybeans reached an all-time high. The harvest of 261 million bushels of corn compared with an average of 197 million bushels from 1949 through 1958. Soybean production of 38 million bushels was 44 per cent higher than the 10-year average.

Oats, rye, wheat and hay set all-time high yields to the acre, but not in total production because of reduced acreages.

Pig production was at all-time high last year with an average litter of 7.27 pigs per sow. Sow farrowings for the quarter ending next month are estimated at 8 per cent above a comparable period a year ago.

The American Meat Institute predicts that meat consumption in the country this year will average a record 164.5 pounds per person. Cattle marketing is expected to be 8 or 10 per cent higher than last year, surpassing the 1956 peak of 27.8 million head.

The World Today

By James Marlow

WASHINGTON (AP) — Sunny and sober.

Those two words spell one of the basic differences between President Eisenhower and President-elect Kennedy.

The elderly — 70-year-old — Eisenhower appears to have a sunny optimistic outlook. The young — 43-year-old — Kennedy is not pessimistic but appears to take a much more sober view of the world.

Three stories, which moved within an hour of one another on Associated Press wires, point up the difference.

During the presidential campaign Kennedy complained the American economy was dragging its feet, needed to grow faster. Eisenhower has appeared rather satisfied with the rate of growth. A number of economists agreed with Kennedy.

Thursday at 4:38 p.m. The AP moved a story saying the National Planning Association—which describes itself as a nonprofit, nonpolitical organization—teamed up on Kennedy's side, called for faster growth.

Trying to accomplish this is going to be one of Kennedy's toughest tasks.

At 5:30 p.m. The AP carried another story out of Washington. This one, basing its information on "authoritative sources," said Eisenhower would send Congress a budget which at this moment

looks very sunny, indeed.

The country is in a recession, the fourth since World War II, and just preventing its getting worse will call for strenuous efforts by Kennedy's new administration.

If it does get worse, Kennedy

Mrs. Kennedy Garb Lauded, Mate's Decried

NEW YORK (AP)—Mrs. John F. Kennedy tops the best-dressed in the world of women's fashions, but her president-elect husband is low man on some clothes designers' totem pole.

The lovely first lady-to-be was selected Thursday night by the New York Couture Group, Inc., to head the list of the world's 12 best-attired women. Couture annually consults some 2,500 style experts and society leaders before announcing the winners.

As for the president-elect, his current supply of suits were viewed with some anxiety by members of the International Association of Clothing Designers who gathered at the Waldorf-Astoria Hotel Thursday for their 50th annual convention.

Some opinions on Kennedy's dress:

His coat lapels are of the old-fashioned, wide variety.

The shoulders of his suits are much too broad.

There are only two buttons on his jacket and the two buttons are too low on the suit.

After Mrs. Kennedy, the official 1960 list of best-dressed among the world's women names the following:

Vicomtesse Jacqueline de Ribes, of Paris.

Mrs. Norman K. Winston, of New York and Paris.

Donna Marella Agnelli, of Turin, Italy.

Mrs. Loel Guinness, of Paris and Palm Beach.

Mrs. Patrick Guinness, of Lausanne, Switzerland, daughter of Mrs. Loel Guinness.

Princess Alexandra of Kent, daughter of the Duchess of Kent.

Mrs. John Barry Ryan III, of New York.

Mrs. David K. Bruce, of Washington.

Mrs. Stavros Niarchos, of Paris and New York.

Queen Sirikit of Thailand.

Sen. Young To Decline Committeeman Position

WASHINGTON (AP) — Sen. Stephen M. Young, D-Ohio, has advised state Democratic leaders he has dropped plans to be a candidate for Ohio Democratic national committeeman.

Sources close to Young say he has so instructed Ohio Democratic Chairman William Coleman and Gov. Michael V. DiSalle.

The committeeman job was left vacant by the recent death of Albert Horstman of Dayton.

Church of Christ

Sunday's Sermon Topic for the Church of Christ that meets at 225 Moats Drive will be "The Parent-Children Relationship".

The parent - children relationship began with the first family... just outside Eden when the first child was born.

This relationship has been exemplified in all its phases in the lives of many Bible characters in the Old Testament and the New.

God has given instructions on this subject so complete that there need be no doubt or indecision on what He wants the relationship to be.

What is involved in the parent-child relationship? This is a vital subject. We urge you to come, especially you that have children.

Presbyterian

The first Sunday in the season of Epiphany will be observed at the Presbyterian Church Worship Service 10:30 a. m. with the reading of the Scripture from the Gospel of St. Matthew chapter 2:1-15.

The Church will be host to the members of Circleville High School SOS and Hi-Y and Key Club groups and their sponsors.

The theme of the worship will be: "Christmas Trees in Trash Cans."

The Choir with Mrs. Clark Will directing will sing "O Master, Let Me Walk With Thee" by Weaver. Mrs. Theodore L. Huston, organist, will play, "O Morning Star" arranged by Karg - Elert for the prelude, a Provencal Carol "March of the Three Kings" for the offertory and for the postlude "March

Rates Hiked in State's Mental Clinics

COLUMBUS, Ohio (AP)—Rates for state care of mental patients of the Magi Kings" by Dubois.

Hymns used during the worship will include "Come, Christians, Join To Sing", "As With Gladness" and "On Our Way Rejoicing".

The Senior-Hi Westminster Fellowship will meet in the church at 7:00 o'clock for their weekly meeting.

Junior - Hi Westminster Fellowship will meet at 7:00 o'clock in the church to complete the map the winter quarter are: Mary Mader, Moderator; Diane Riethmiller, Vice - Moderator; Richard Fuhrman, Clerk.

have been boosted for the second year in a row.

Officials of the Department of Mental Hygiene and Correction announced Thursday that the new rates, effective Jan. 1, will be reflected in February billings to relatives and legally responsible persons of mental patients.

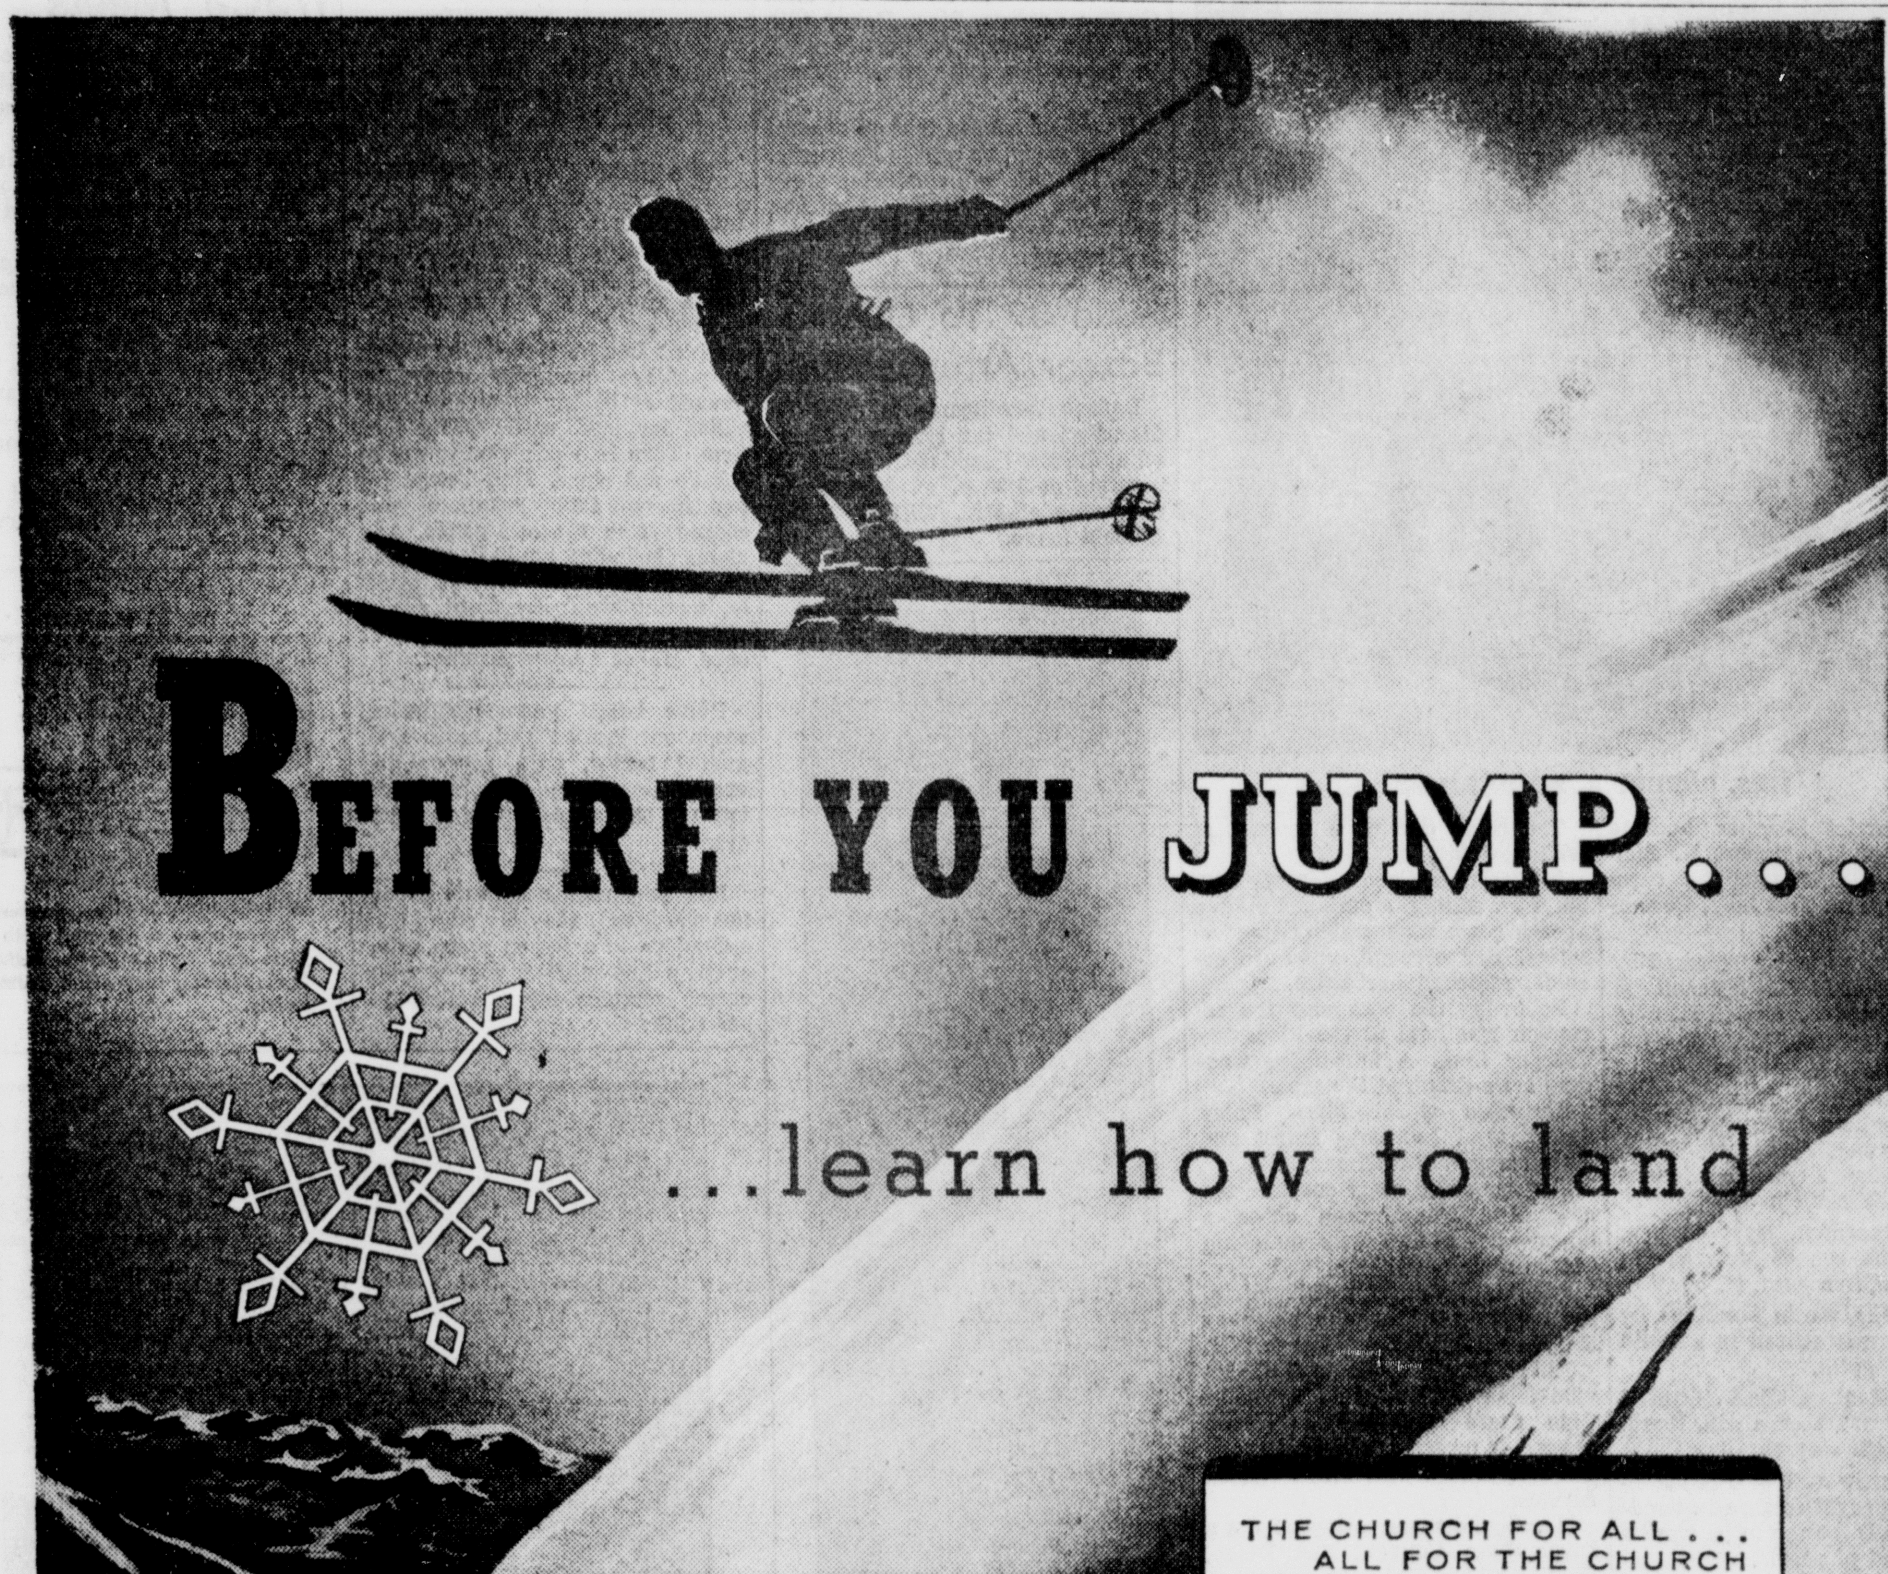

Officials said prolonged care hospitals will charge \$28 per patient per week. A year ago, the cost was increased to \$24.50 from \$21. Ten years ago, fees were \$11.55 a week per patient.

Hospitals at which such increases have taken effect are at Apple Creek, Athens, Cambridge, Cleveland, Columbus, Dayton, Hawthornden near Akron - Cleveland, Lima, Longview near Cincinnati,

Massillon, Mount Vernon, Tiffin and Toledo. The \$24.50 weekly rates at children's psychiatric hospitals at Columbus and Dayton also will go up to \$28.

Psychiatric institutes in Cleveland, Cincinnati (Rollman) and Columbus, which charged \$95, will now charge \$110 per patient per week. The rate at receiving hospitals (Cleveland's Fairhill, Portsmouth, Cuyahoga Falls in Summit County and Youngstown's Woodside) will be \$98 per patient per week. It was \$91. The cost is more because of intensified treatment.

Department officials said while costs have increased, services to the patient have been improved.

It's easy to jump. Just leave the solid trail behind you and soar into space.

But before you jump—learn how to land! One man can alight gracefully and continue his course. Another will wrap his skis around his head and end up in the hospital.

There are important life-decisions we often describe as "taking the leap." Going to college, choosing a career, getting married—these are just a few. And these "leaps" lead to happiness for some—and tragedy for others.

The Church with its program of worship and religious education makes essential contributions to our life. For what happens after our major "leaps" depends on the character which has been instilled in us, and on the principles by which we live.

The Church prepares us for the leaps we are going to take by teaching us how to land happily, and to continue a right course throughout life.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Harriet Hatcher Is Bride Of Robert K. Zimmerman

MRS. ROBERT K. ZIMMERMAN

Miss Harriet Hatcher became the bride of Mr. Robert K. Zimmerman in a candlelight ceremony at 7 p. m. Thursday, December 15.

The marriage was performed by the Rev. Donald E. Mitchell in the beautiful decorated home of the bride's parents, Mr. and Mrs. J. H. Hatcher, 122 Seyfert Ave.

The mantel was enhanced with a lovely candle arrangement flanked by balsam fir with two-seven branch candelabra on each side carrying out the motif in white.

Mr. Zimmerman, East Orange, N. J., is the son of Mrs. Vivian Zimmerman, Syracuse, N. Y.

The bride, given in marriage by her father, was attired in a white silk taffeta gown.

The rounded neckline featured an embroidered bodice with three-quarter length sleeves.

Her fingertip veil of French illusion was caught to a satin bandeau. Her only jewelry was a single strand of pearls.

The bride carried a bouquet of white orchids.

Mrs. Hatcher chose for her daughter's wedding, a pure silk mauve sheath gown with matching accessories. Her corsage, miniature orchids, matched her attire.

Following the ceremony the reception was held at the Pickaway Country Club. A four-tiered wedding cake centered the table.

Hostesses were Miss Patsy Smith, Mrs. Laurence Priest and Miss Marilyn Bathelmas.

For her going-away costume the new Mrs. Zimmerman chose a black wool sheath with matching accessories.

Following a short wedding trip, the couple will make a home at 50 S. Munn Ave., East Orange, N.J.

The bride is a graduate of Circleville High School. She attended Ohio State University for two years. At present she is an airline stewardess with Trans World Airlines.

Mr. Zimmerman attended San Diego State College, San Diego, Calif., and the University of North Carolina. He was a pilot in the U. S. Navy. At present he is a pilot with TWA.

35 Are Present At WSCS Meet

Thirty-five members and guests were present at the First Methodist WSCS meeting Wednesday night in the church social room.

The devotional theme, "Jesus Christ Himself Our Heritage" was presented by Mrs. Gunner Musselman.

Mrs. Ned Kraft, president, announced that the Chillicothe WSCS District Spring Conference will be held at the First Methodist Church Circleville, April 5th.

The program consisted of a one-act play entitled "Miss Alice and the Cunning Comanche". It centered on home missions.

Cast was Mrs. Robert Turner, Mrs. Marshall Douthett, Mrs. George Lawson, Mrs. Harry Clifton, Mrs. Donald Archer, Mrs. C. O. Schweizer and Mrs. William Cook.

SPAGHETTI WITH MINCED CLAMS

Ingredients: 1 package (8 ounces) thin spaghetti, boiling water, salt, 1-3 cup butter, 2 medium-sized cloves garlic, 1 can (7 ounces) minced sea clams.

Method: Cook spaghetti according to package directions using the amount of boiling water and salt called for just until tender but firm. Turn into colander to drain, but do not rinse. Melt butter (in pan in which spaghetti was cooked) with crushed garlic. Add clams (including liquid in can) and drained spaghetti. Reheat briefly, mixing well; spaghetti should absorb clam liquid. Serve at once. Makes 4 large servings.

Halve baked yams lengthwise, scoop out insides and mash with melted butter, salt, pepper and orange marmalade. Spoon back into the shells and brown in a hot oven.

Raw mushrooms show up at parties nowadays; they are sliced thin and added to a tossed green salad or they are stuffed with a mild cheese mixture for a before-dinner tidbit.

Olan V. Bostwick, secretary; Mrs. Roy Groce, treasurer; Miss Katherine L. Mead, protector; Mrs. Lloyd J. Fisher, guard; and Miss Margie Carmean, pianist.

Installing officer was Miss Ethel Stein. She was assisted by Mrs. Ronald Nau and Miss Clarissa Talbot.

The business meeting was conducted by Mrs. Davis.

Refreshments were served to 26 sisters and two knights by Mrs. Charles Sabine, Betty Canter and Mr. and Mr. Gerald Winfough.

Emmett's Chapel WSCS Meets

Mrs. Kenneth Shepler, Route 1, was hostess to members of Emmett's Chapel WSCS Wednesday evening.

The business meeting was conducted by Mrs. Pryor Harbount. The treasurer's report was given by Mrs. Austin Wilson.

A carry-in dinner at the church was to be postponed until the weather permits.

Plans were made for a stock sale dinner January 11th.

Mrs. Wells Wilson had charge of the program. She read an article by A. J. Cronin entitled, "Don't Be Sorry for Yourself."

Refreshments were served in the dining room to 11 members and one visitor.

Wife Preservers

Never press a garment with a stain in it. Try to remove the stain first: pressing may set it permanently.

MICROWAVES: 'BEST FRIEND'

—That diamond ring is not as precious as that fingertip speck, according to the Radio Corporation of America. Developed by RCA's semiconductor and materials division in Somerville, N. J., the speck is a new, solid-state "varactor" diode that is expected to boost microwave signals from outer space to higher energy levels. The diode is so sensitive it can pick up and amplify microwave signals transmitted at frequencies close to that of infrared light.

WSCS Circle No. 3 Postpones Meeting

Circle No. 3 of the First Methodist WSCS has postponed its meeting which was scheduled this Monday.

The session will be held at 8 p. m. Monday, January 16, in the home of Mrs. Forrest Brown, 124 N. Scioto St.

Meeting Postponed

The January 12th meeting of the Major John Boggs Chapter of the United States Daughters of 1912 has been postponed.

Dear Abby...

By Abigail VanBuren

An Answer for Everything!

DEAR ABBY: I am 55 and am engaged to a man, 60, who can give me security and interesting companionship. Here is my heartache: Six years ago he was engaged to a woman who told him she wouldn't allow him even an occasional cocktail. He broke the engagement and asked her to return the beautiful two-carat diamond he had given her. Now he wants to adorn my finger with the same ring. Should I tell him I want a new ring? I don't want to play—

SECOND FIDDLE
DEAR SECOND: Why don't you suggest that he have the diamond reset in a new mounting? It takes a lot of lettuce to replace two carats.

DEAR ABBY: Do you realize that because you printed the letter signed "Jay L." you could be indirectly responsible for restoring vision to hundreds of sightless people?

But, Abby, please correct a popular misconception about the legal "willing" of eyes. Cornea transplants must take place 48 hours after decease. Prospective donors must make prior arrangements by writing to EYE BANK, 210 East 64th Street, N.Y.C. A card is sent to the donor, which he carries in his wallet, authorizing the removal of his cornea immediately after death. There is definitely NO personal disfigurement and no cost to the donor. In my opinion, the legacy of sight is one of the finest humanitarian acts a person can perform. Gratefully,

F. J. McD.

Scalp of 'Yeti' Returned Home

KATMANDU, Nepal (AP)—The "yeti" scalp got back to the Khamjung monastery on the promised day after being taken on a 30,000-mile round-the-world trip by skeptical Western explorers.

A U.S. helicopter carried the scalp and Mt. Everest hero Sir Edmund Hillary here. He had borrowed it from villagers for a one-month inspection by experts to determine if it came from a yeti, the legendary "abominable snowman" of the Himalayas.

The Western experts agreed the scalp was ancient but they discounted its connection with the elusive yeti.

ING OUT: Some students drink deeply at the fountain of knowledge—others just gargle. Quit gargling and start drinking.

Tigers Fail To Hold Lead, Drop 66-56 Hillsboro Tilt

Failure to hold a second half lead again last night cost the Circleville Tigers who dropped a 66-56 test to the visiting Indians of Hillsboro.

Several factors seemed to figure in the loss. As in several previous games this season, the Tiger led most of the way up to the third quarter, then fell behind. Secondly they were hurt seriously in the personal foul department.

Hillsboro lacked height, but more than made up for it with sure shooting, adept ball handling and ability to take advantage at the foul line. Both teams scored the same number of buckets, but the Indians cashed in with 20 of 38 tries at the charity circle.

The loss of Sam Wiler early in the fourth quarter by fouls cost considerably. Up to that time the rangy Tiger center had plunked in 15 points and was pulling down more than his share of rebounds.

SOPHOMORE Clesson Thomas also departed with four minutes to go in the final and several other Tigers had three and four personal fouls.

Hillsboro, making few mistakes, wasn't bothered in the least with fouls. In fact, Circleville didn't get a free toss until about three minutes had elapsed in the second quarter.

Circleville started with a bang by taking a 20-15 lead at the end of the first quarter behind the marksmanship of Weller who hit eight points. Bruce Barnes six, Dick Kline four and Jimmie Wellington two.

The Tigers continued to connect with consistency in the second quarter.

Plains Win Over West Jeff In 65-46 Tilt

The Plains of Mt. Sterling added another victory last night by defeating West Jefferson in 65-46 contest.

Mt. Sterling stayed out front all through the game. The half-time scoreboard read 39-15 and showed a 53-31 lead at the end of the third period. West Jefferson tallied 15 points the fourth quarter to the home team's 12.

Three top scorers for The Plains more than helped them on the road to victory. Chet Clemens and Jerry Merritt racked 16 points each and Keith Junk came through with 15.

West Jefferson had one man to enter two-column figures in the box score as Roberts hit 15.

MT. STERLING's record for the season is knotted at four wins and four losses.

Coach Wayne Evans was proud of his reserve team which won over West Jeff. 41-24.

Mt. Sterling
Furniss 3-1-7; Jones 3-1-7; Hanson 1-0-2; Junk 7-1-15; Merritt 7-2-16; Hackworth 0-2-2; Clement 7-2-16.

Kingston Raps Huntington

Kingston's Redskins, making good use of Russ Kempton's 20 points, defeated visiting Huntington last night in a 60-49 cage tilt.

Huntington led for the first half until Kingston let go during the third and fourth periods. The visitors scored 26 points in the first stanza against Kingston's 14.

Huntington remained in the lead at intermission with a scoreboard reading of 34-28. The Redskins went on the warpath the remaining two periods to add 32 points to their total.

Kempton led the Redskins, scoring mostly on lay - ups and from the side. Huntington's Pendleton scored 25 points, 14 of which were in the first quarter on jump shots.

The Kingston reserves handed Huntington a 41-39 defeat.

Kingston
Vollmar 4-2-10; Congrove 4-2-10; Cobb 2-4-8; Kempton 8-4-20; Davis 0-2-2; Hood 1-4-6; Albert 1-0-2; Beavers 1-0-2.

Buckeyes Set For Defense of Big Ten Crown

All 6 Unbeaten Quints
Face Action Today;
Illini Go to Columbus

By THE ASSOCIATED PRESS
Ohio State's top-ranked Buckeyes open their drive toward another Big Ten championship tonight—the first step toward hoped-for defense of their NCAA crown.

All members of slim little band of six major college unbeaten—are in action, together with most of the bigtime clubs in a whopping Saturday schedule that sends sub-par Illinois into the Buckeye den at Columbus, Ohio.

The Bucks, who wrapped up the Holiday Festival in New York's Madison Square Garden last week by beating previously undefeated St. John's and St. Bonaventure, have won nine straight this season and have a two-season streak of 14.

It should be just a warm-up for All-America Jerry Lucas & Co. against an Illinois team that has dropped six of nine games this season in the most woeful Illini start in recent history.

Two of the other unbeaten, second-ranked Bradley and 10th-rated Auburn, figure to stretch their streaks but DePaul, Louisville and Vanderbilt—may be in for rough evenings.

Bradley, 11-0 this season and carrying the nation's longest major winning streak at 17, is home to Missouri Valley Conference foe Tulsa. Auburn, 6-0 this season with a 15-game win streak, is home for its Southeastern Conference opener with Mississippi State.

DePaul (8-0), Louisville (12-0) and Vanderbilt (9-0) all are on the road for toughies—DePaul at Dayton (7-2), Louisville at Milwaukee against a Marquette team that is tougher than its 7-4 record would indicate, and Vanderbilt in a SEC test at Tennessee, which shows only a 6-5 season record but has won all five of its home games.

Third-ranked St. Bonaventure entertains Duquesne, sixth-pegged North Carolina plays Notre Dame at Charlotte, N.C., seventh-ranked Iowa is home to Minnesota eighth-ranked Duke has an Atlantic Coast Conference game with North Carolina State, and ninth-ranked UCLA plays upstart Washington again in other key matchups on a 75-game major schedule that spreads over all the major conferences.

Friday night Washington held the Uclans to 16 per cent from the floor, a mere 10 field goals, and scored a 58-45 upset in their Big Five Conference opener. The other Big Five game wound up with California's 26-game home court winning streak ended—a 57-50 victim of the Southern California Trojans.

St. John's, only other top ten team in action, whipped to its ninth victory in 10 games (Ohio State's rally beat the fifth-ranked Redmen 70-65 last week), 81-60 over Temple, which had won eight straight and 10 of 11 games.

Clipping the War
PISCATAWAY, N. J. (AP) — Carefully pasted in an oversized scrapbook belonging to 31-year-old William Seifert are 2,500 newspaper headlines and photographs, telling the day-by-day story of World War II.

Seifert was 10 when he began his hobby in 1939. Since then he has managed to record somewhere in his collection of newspaper clipping about every major campaign, but he's not completely satisfied.

"The Italian and Sicilian campaigns are not as well represented as they could be," says Seifert, an electronics designer. So he continues looking for old newspapers.

Celts, Hawks Hike Leads In Cage Play

LOS ANGELES (AP)—The Boston Celtics and the St. Louis Hawks increased their respective leads in the Eastern and Western divisions of the National Basketball Association with victories Friday night.

With Tom Heinsohn and Bob Cousy leading the way, the Celtics scored their fifth straight victory on the road by beating the crippled Detroit Pistons at Detroit 108-102.

The Hawks moved to eight games in front of Cincinnati by beating the Los Angeles Lakers, 108-104. A Hawk reserve, Woody Sauldsberry, was the decisive factor. He replaced Cliff Hagan in the third period to guard the Laker ace, Elgin Baylor. Baylor was held to two points in the third quarter. Sauldsberry added 10 points to the Hawk cause.

Heinsohn contributed 31 points in the Boston victory while Cousy had 19, in addition to assisting on nine baskets. The win stretched the Celtics' Eastern Division lead to 1 1/2 games over the idle Philadelphia Warriors. Syracuse is at Rochester in the only game tonight.

New Georgia Pilot Has Energy, Talent

ATHENS, Ga. (AP)—Georgia's new football coach brings boundless energy and a talent for organization to the job.

"There's no time to rest," Johnny Griffith, 36, said Friday night a few hours after his appointment to succeed Wally Butts at the Georgia helm. "I don't even feel like taking an hour off. There are so many things to think about, so many things to do."

Griffith, head freshman coach and chief football recruiter in 1960, has been an assistant at Georgia since 1956. He won the job over several candidates better known, including All-America Charley Trippi, Georgia backfield assistant.

Trippi and all of the other assistants are staying on under Griffith, and Butts remains as athletic director.

Player Signups Plaguing Pros

Opposing Leagues
Argue over Recruits

DALLAS (AP)—Signings again are plaguing the National and American football leagues.

Dallas of the AFL and Detroit of the NFL are arguing over Ronnie Hartline, Oklahoma fullback. Houston of the AFL and Baltimore of the NFL are squabbling over Ken Gregory, Whittier, Calif., end.

Last year, as the AFL was making its start, there were a number of court cases over double signings. But those all were based on the NFL signing the boys before their college eligibility was over.

The AFL won all the cases. This time it's different. Hartline was signed by Lamar Hunt, owner of the Dallas Texans, on Dec. 7, but he didn't specify exactly what sort of document it was. Hartline, in Honolulu to play in the Hula Bowl said he signed with Detroit after he signed a "letter of intent" to play with Dallas and that he considered the contract with Detroit as official.

Hunt said Detroit would have to file any court action that results over Hartline unless the player reports to the Detroit camp.

K.S. (Bud) Adams, Houston owner, said he expected the case of Gregory to be settled out of court, in contrast to the case of Billy Cannon last year. There was a long legal fight over the former Louisiana State star between Houston and the Los Angeles Rams.

Gregory, the nation's leading collegiate pass-receiver last fall, was signed in late December by John Breen, Houston's director of player personnel. But Friday Adams got a letter from Gregory with a check enclosed. Gregory said he had signed with Baltimore and doesn't think the Oilers have a binding contract because there was no clear agreement on the amount of salary.

Adams said he passed the case over to Commissioner Joe Foss of the AFL to settle with Commissioner Pete Rozelle of the NFL.

Basilio Awaits Verdict on Career

NEW YORK (AP)—Fight fans may be getting their last look at Carmen Basilio in ring togs tonight.

The former welterweight and middleweight champion has indicated he will hang up his gloves if he makes a poor showing against tenth-ranking welterweight contender Gaspar Ortega, 25, of Mexico. They clash in a television (ABC-TV, 10 p.m. Eastern Standard Time, ten-rounder) tonight at Madison Square Garden.

"This fight will determine whether I will go on further," said Basilio, 33, a pro of 12 years standing.

Idle since he was stopped for the second straight time by NB middleweight champion Gene Fullmer last June 29, Basilio was rated just even money against the tall Mexican. Earlier in the week, Carmen had been the 7-5 choice.

O'Toole Signs Pact, Faces Lawsuit

CINCINNATI (AP) — Southpaw Jim O'Toole, who had a 12-12 record for the Cincinnati Reds last season, was the first on the team to sign up for 1961.

He also was named defendant yesterday in a suit for \$55,800, damages filed by Miss Carole Sicurella, Cincinnati Model.

Miss Sicurella claimed she suffered scars which interfered with her work as a model when a car driven by O'Toole hit a utility pole in Cincinnati June 1, 1959.

O'Toole reached contract terms yesterday with new General Manager Bill Dewitt and while he gave no salary figure, said "everything was okay."
